The Company further warrants that it is aware of no third party claim that any material aspect of the Company's present or contemplated business operations infringes or will infringe any Mark. Except as set forth on Appendix D, the Company represents and warrants that it is the true and lawful owner of or otherwise has the right to use all United States trademark registrations and applications listed in Appendix D hereto and that said registrations are valid, subsisting, have not been canceled and that the Company is not aware of any third party claim that any of said registrations or applications for registration with respect to a Mark is invalid or unenforceable and is not aware that there is any reason that any of said registrations or applications for registration with respect to a Mark is invalid or unenforceable. The Company hereby grants to the Collateral Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of an Event of Default, any document which may be required by the United States Patent and Trademark Office in order to effect an absolute assignment of all right, title and interest in each Mark owned by the Company, and record the same.

4.2 Licenses and Assignments. Subject to the provisions of Sections 4.4 and 4.5 and the right of the Company to dispose of property under paragraph 6G of the Note Agreement, the Company hereby agrees not to divest itself of any right under a Mark other than (a) in the ordinary course of business or (b) with the prior written approval of the Collateral Agent.

4.3 Infringements. The Company agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who may be infringing or otherwise violating in any material respect any of the Company's rights in and to any Mark, or with respect to any party claiming that the Company's use of any Mark violates in any material respect any property right of that party. The Company further agrees to prosecute diligently any Person infringing in any material respect any Mark owned by the Company in a manner consistent with its past practice and in accordance with reasonable business practices.

4.4 Preservation of Marks. The Company agrees to use or license the use of its Marks in interstate commerce, during the time in which this Agreement is in effect, sufficiently to preserve such Marks as trademarks or service marks registered under the laws of the United States or the relevant foreign jurisdiction; provided that the Company shall not be obligated to preserve any Mark in the event the Company determines, in its reasonable business judgment, that the preservation of such Mark is no longer necessary in the conduct of its business.

4.5 Maintenance of Registration. The Company shall, at its own expense, diligently process all documents required to maintain trademark registrations, including but not limited to affidavits of use and applications for renewals of registration in the United States Patent and Trademark Office or equivalent governmental agency in any foreign jurisdiction, for all of its Marks (excluding unregistered marks), and shall pay all fees and disbursements in connection therewith, and shall not abandon any such filing of affidavit of use or any such application of renewal prior to the exhaustion of all administrative and judicial remedies without prior written consent of the Collateral Agent; provided that the Company shall not be obligated to maintain any Mark or prosecute any such application for registration in the event that the Company determines, in its reasonable business judgment, that such Mark or such application is no longer necessary in the conduct of its business.

4.6 Future Registered Marks. If any registration issues hereafter to the Company as a result of any application now or hereafter pending before the United States Patent and Trademark Office or equivalent governmental agency in any foreign jurisdiction, within thirty (30) days of receipt of the certificate evidencing such registration the Company shall deliver to the Collateral Agent a copy of such certificate, and a grant thereof hereunder, the form of such confirmatory grant to be substantially the same as the form hereof.

4.7 Remedies. If an Event of Default shall occur and be continuing, the Collateral Agent may, by written notice to the Company, take any or all of the following actions: (i) declare the entire right, title and interest of the Company in and to each of the Marks, together with all trademark

rights and rights of protection to the same, vested, in which event such rights, title and interest shall immediately vest, in the Collateral Agent for the benefit of the Secured Parties pursuant to a trademark security agreement in form and substance satisfactory to the Collateral Agent, executed by the Company and filed on the date hereof, pursuant to which all of the Company's rights, title and interest in and to the Marks are assigned to the Collateral Agent for the benefit of the Secured Parties; (ii) take, use, or sell the Marks and the goodwill of the Company's business symbolized by the Marks and the right to carry on the business and use the assets of the Company in connection with which the Marks have been used; and (iii) direct the Company to refrain, in which event the Company shall refrain, from using the Marks in any matter whatsoever, directly or indirectly; and the Company shall, if requested by the Collateral Agent, change its corporate name to eliminate therefrom any use of any Mark and execute such other and further documents that the Collateral Agent may request to further confirm this and to transfer to the Collateral Agent for the benefit of the Secured Parties ownership of the Marks and registrations and any pending trademark application in the United States Patent and Trademark Office or any equivalent governmental agency or office in any foreign jurisdiction.

TRADE SECRET RIGHTS, PATENTS AND COPYRIGHTS

4.8 Additional Representations and Warranties. The Company represents and warrants (i) that it is the true and lawful owner or licensee of all rights in all Trade Secrets, (ii) that it is the true and lawful owner or licensee of all rights in the Patents listed in Appendix E attached hereto and that said patents constitute all the patents and applications for patents that the Company now owns and (iii) that it is the true and lawful owner or licensee of all rights in the Copyrights listed in Appendix F attached hereto and that said Copyrights constitute all the registered copyrights and applications for copyright registrations that the Company now owns or licenses. The Company further warrants that it is aware of no third party claim that any material aspect of the Company's present or contemplated business operations infringes or will infringe any patent or copyright or that the Company has misappropriated any rights in Trade Secrets.

4.9 Licenses and Assignments. Subject to the provisions of Sections 4.11, 4.12 and 4.13 and the right of the Company to dispose of assets under paragraph 6G of the Note Agreement, the Company hereby agrees not to divest itself of any right under a Patent or Copyright other than (a) in the ordinary course of business or (b) without the prior written approval of the Collateral Agent.

4.10 Infringements. The Company agrees, promptly upon learning thereof, to furnish the Collateral Agent in writing with all pertinent information available to the Company with respect to any infringement or other violation in any material respect of any of the Company's rights in any Patent or Copyright, or with respect to any claim that the practice of any Patent or the use of any Copyright violates in any material respect any property right of a third party, or with respect to any misappropriation of any rights in Trade Secrets or any claim that the practice of any Trade Secret Right violates in any material respect any property right of a third party. To the extent consistent with its past practice and in accordance with reasonable business practices, the Company further

agrees, to prosecute diligently any Person infringing any material Patent or material Copyright owned by the Company, or any Person misappropriating any material rights in Trade Secrets.

4.11 Maintenance of Patents or Copyrights. At its own expense, the Company shall make timely payment of all post-issuance fees required to maintain in force rights under each of its Patents and Copyrights; provided that the Company shall not be obligated to maintain any Patent or Copyright in the event the Company determines, in its reasonable business judgment, that the maintenance of such Patent or Copyright is no longer necessary in the conduct of its business.

4.12 Prosecution of Patent or Copyright Application. At its own expense, the Company shall diligently prosecute all applications for (i) Patents listed on Appendix E hereto and (ii) Copyrights listed on Appendix F hereto, and, in each case, shall not abandon any such application prior to exhaustion of all administrative and judicial remedies, absent written consent of the Collateral Agent; provided that the Company shall not be obligated to maintain any Patent or Copyright or prosecute any application thereof in the event the Company determines, in its reasonable business judgment, that the maintenance of such Patent or Copyright or the prosecution of such application is no longer necessary in the conduct of its business.

4.13 Other Patents and Copyrights. Within (30) days of the acquisition or issuance of a Patent or Copyright registration, or of the filing of an application for a Patent or Copyright registration, the Company shall deliver to the Collateral Agent a copy of said Patent or Copyright registration or said application for a Patent or Copyright registration, as the case may be, with a grant of security as to such Patent or Copyright, as the case may be, confirming the grant thereof hereunder, the form of such confirmatory grant to be substantially the same as the form hereof, provided that the Company shall not be obligated to prosecute any application in the event that the Company determines, in its reasonable business judgment, that such application is no longer necessary in the conduct of its business.

4.14 Remedies. If an Event of Default shall occur and be continuing, the Collateral Agent may by written notice to the Company take any or all of the following actions: (i) declare the entire right, title and interest of the Company in each of the Patents and Copyrights vested, in which event such right, title and interest shall immediately vest, in the Collateral Agent for the benefit of the Secured Parties, pursuant to a patent security agreement or copyright security agreement, as the case may be, in form and substance satisfactory to the Collateral Agent, executed by the Company and filed on the date hereof, pursuant to which all of the Company's right, title and interest to such Patents and Copyrights are assigned to the Collateral Agent for the benefit of the Secured Parties; (ii) take and practice, use or sell the Patents and Copyrights; (iii) direct the Company to refrain, in which event the Company shall refrain, from practicing the Patents and using the Copyrights directly or indirectly; and the Company shall execute such other and further documents as the Collateral Agent may request further to confirm this and to transfer ownership of the Patents and Copyrights to the Collateral Agent for the benefit of the Secured Parties.

ARTICLE 5

SPECIAL PROVISIONS CONCERNING EQUIPMENT AND INSTRUMENTS

5.1 Instruments. If the Company owns or acquires any Instrument, the Company shall within ten (10) days either: (i) deliver or pay over or otherwise credit to the account of the Collateral Agent such Instrument; or (ii) notify the Collateral Agent and upon the request of the Collateral Agent or the other Secured Parties promptly deliver such Instrument to the Collateral Agent appropriately endorsed to the order of the Collateral Agent as further security hereunder.

5.2 Equipment. If the Company acquires any Equipment covered by a certificate of title, the Company shall list the Collateral Agent as the lienholder of such certificate of title on behalf of the Secured Parties and within sixty (60) days of the acquisition thereof deliver evidence of the same to the Collateral Agent.

ARTICLE 6

PROVISIONS CONCERNING ALL COLLATERAL

6.1 Protection of the Collateral Agent's Interests. The Company will do nothing to impair the rights of the Collateral Agent or the other Secured Parties in the Collateral; provided, however, that nothing in this Section 6.1 or elsewhere in this Agreement shall prevent the Company, prior to the exercise by the Collateral Agent of any such rights, from undertaking the Company's operations in the ordinary course of business in accordance with the Transaction Documents. The Company assumes all liability and responsibility in connection with the Collateral and the liability of the Company with respect to the Secured Obligations shall in no way be affected or diminished by reason of the fact that any Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to the Company.

6.2 Further Actions. The Company will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent and the other Secured Parties from time to time such lists, descriptions and designations of Collateral, warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, Financing Statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments, and take such further steps relating to the Collateral and other property or rights covered by the interests hereby granted which the Collateral Agent deems reasonably appropriate or advisable to perfect, preserve or protect its ownership and security interests in the Collateral.

6.3 Financing Statements. The Company agrees to sign and deliver to the Collateral Agent and the other Secured Parties such Financing Statements (or similar statements or instruments of registration under the law of any jurisdiction), in form acceptable to the Collateral

Agent, as the Collateral Agent may from time to time reasonably request or as are necessary or desirable in the reasonable opinion of the Collateral Agent to establish and maintain the security interests contemplated hereunder as valid, enforceable, first priority security interests as provided herein (subject only to Permitted Liens) and the other rights and security contemplated herein, all in accordance with the Uniform Commercial Code as enacted in any and all relevant jurisdictions or any other applicable law. The Company will pay any applicable filing fees and related expenses. The Company authorizes the Collateral Agent to file any such Financing Statements without the signature of the Company.

ARTICLE 7

REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

7.1 Events of Default; Obtaining the Collateral Upon an Event of Default.

If an Event of Default has occurred and is continuing, the Collateral Agent, acting pursuant to the Collateral Agency Agreement, in addition to its other rights and remedies hereunder, and the rights of the Secured Parties under the Transaction Documents, shall be entitled to do any of the following:

(a) exercise any rights or remedies granted to a secured party under the Uniform Commercial Code as in effect in any relevant jurisdiction or under any other relevant law to enforce this Agreement and the security interests contained herein;

(b) proceed to protect and enforce the rights vested in it by this Agreement, including, but not limited to, the right to substitute itself or any of its nominees or trustees in lieu of the Company, to cause all revenues hereby pledged as security and all other moneys pledged hereunder to be paid directly to it, and to enforce its rights hereunder to such payments and all other rights hereunder by such appropriate judicial proceedings as it shall deem most effective to protect and enforce any of such rights, either at law or in equity or otherwise, whether for specific enforcement of any covenant or agreement contained in any of the Contracts, or in aid of the exercise of any power therein or herein granted, or for any foreclosure hereunder and sale under a judgment or decree in any judicial proceeding, or to enforce any other legal or equitable right vested in it by this Agreement or by law whether in Company's name, in the Collateral Agent's name or in the name of the Collateral Agent's designees;

(c) cause any action at law or suit in equity or other proceeding to be instituted and prosecuted to collect or enforce any of the Secured Obligations or any rights hereunder or included in the Collateral, or enforce or to foreclose any other agreement or other instrument by or under or pursuant to which such Secured Obligations are issued or secured, subject in each case to the provisions and requirements thereof;

(d) sell, assign or otherwise liquidate any or all of the Collateral or cause the Collateral to be sold or otherwise disposed of and take possession of the proceeds of any such sale or liquidation;

(e) incur reasonable expenses, including reasonable attorneys' fees, consultants' fees and other costs appropriate to the exercise of any right or power under this Agreement;

(f) perform any obligation of the Company hereunder or under any other Transaction Document, and make payments, purchase, contest or compromise any encumbrance, charge or Lien, and pay taxes and expenses, without, however, any obligation so to do;

(g) take possession of the Collateral and render it usable, and repair and renovate the same, without, however, any obligation so to do, and enter upon any location where the same may be located, control, manage, operate, rent or lease the Collateral, collect all rents and income from the Collateral and apply the same to reimburse the Secured Parties for any cost or expenses incurred hereunder or under any of the Transaction Documents and to the payment or performance of Company's obligations hereunder or under any of the Transaction Documents and apply the balance to the Secured Obligations;

(h) secure the appointment of a receiver of the Collateral or any part thereof; or

(i) take possession of the Collateral or any part thereof by directing the Company in writing to turn over the Collateral to the Collateral Agent at any reasonable place or places designated by the Collateral Agent, in which event the Company shall at its own expense

(i) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent,

(ii) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent, and

(iii) while Collateral shall be so stored and kept, provide such guards and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain them in good condition.

The parties hereto hereby agree that the Company's obligation to deliver the Collateral as set forth above is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by the Company of such obligation.

7.2 Remedies; Disposition of the Collateral.

(a) If an Event of Default has occurred and is continuing, any Collateral, whether or not repossessed by the Collateral Agent pursuant to Section 7.1, may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of any applicable law and acting pursuant to the Collateral Agency Agreement, determine to be commercially reasonable, as fully and completely as though the Collateral Agent were the absolute owner thereof.

(b) Subject to subsection (a) of this Section 7.2, any Collateral may, upon the occurrence and during the continuance of an Event of Default, be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair which the Collateral Agent, upon consultation with such Persons, including independent consultants and engineers, as it shall deem appropriate, shall determine to be commercially reasonable. Any such disposition shall be made upon not less than ten (10) Business Days' written notice to the Company specifying the time such disposition is to be made and, if such disposition shall be a public sale, specifying the place of such sale. Any such sale may be adjourned by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Company hereby waives any claims against the Collateral Agent arising by reason of the fact that the price at which Collateral may have been sold at a private sale was less than the price that might have been obtained at a public sale or was less than the aggregate amount of the Secured Obligations, even if the Collateral Agent accepts the first offer received or does not offer the Collateral to more than one offeree. All fees of the Collateral Agent and all expenses (including court costs and reasonable attorneys' fees, expenses and disbursements) of, or incident to, the enforcement of any of the provisions hereof shall be recoverable from the proceeds of the sale or other disposition of the Collateral.

(c) The Collateral Agent may dispose of the Collateral under subsection (b) of this Section 7.2 without giving any warranties as to the Collateral. The Collateral Agent may disclaim warranties relating to title, possession, quiet enjoyment, and the like. Such a disclaimer will not affect the commercial reasonableness of such disposition.

(d) The Collateral Agent will comply with any applicable state or federal law requirements in connection with the disposition of the Collateral under subsection (b) of this Section 7.2. Such a compliance will not affect the commercial reasonableness of such disposition.

7.3 Purchase of the Collateral. The Collateral Agent may be a purchaser of the Collateral or any part thereof or any right or interest therein at any sale thereof, whether pursuant to foreclosure, power of sale or otherwise hereunder and the Collateral Agent may apply the purchase price to the payment of the Secured Obligations. Any purchaser of all or any part of the Collateral shall, upon any such purchase, acquire good title to the Collateral so purchased, free of the security interests created by this Agreement.

7.4 Special Provisions Concerning Contracts. (a) If any default by the Company under any Contract that has given rise to an Event of Default shall occur and be continuing, the Collateral Agent shall in accordance with Section 7.1 be permitted (but shall not be obligated) to remedy any such default by giving written notice of such intent to the Company and to the parties to the Contract or Contracts for which the Collateral Agent intends to remedy the default. Any cure by the Collateral Agent of the Company's default under any of the Contracts shall not be construed as an assumption by the Collateral Agent or any Secured Party of any obligations, covenants or agreements of the Company under such Contract, and neither the Collateral Agent nor any Secured Party shall be liable to the Company or any other Person as a result of any actions undertaken by the Collateral Agent in curing or attempting to cure any such default, except in the case of the gross negligence or willful misconduct of the Collateral Agent. This Agreement shall not be deemed to release or to affect in any way the obligations of the Company under the Contracts.

(b) Upon the occurrence of any Event of Default and continuance thereof, the Collateral Agent shall have the rights set forth in Article 9 of the UCC and shall be entitled to (i) enforce all remedies, rights, powers and privileges of the Company under any or all of the Contracts, and/or (ii) to the extent permitted by the terms of such Contracts, substitute itself or any nominee or trustee of the Collateral Agent in lieu of the Company as party to any of the Contracts and notify the obligor of any Contract Right (the Company hereby agreeing to deliver any such notice at the request of the Collateral Agent) that all payments and performance under the relevant Contract shall be made or rendered to the Collateral Agent or such other Person as the Collateral Agent may designate.

7.5 Waiver.

(a) EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, THE COMPANY HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE OR JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT'S TAKING POSSESSION OR THE COLLATERAL AGENT'S DISPOSITION OF ANY OF THE COLLATERAL PURSUANT TO THE TERMS OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES AND ANY SUCH RIGHT WHICH THE COMPANY WOULD OTHERWISE HAVE UNDER THE CONSTITUTION OR ANY STATUTE OF THE UNITED STATES OR OF ANY STATE OR UNDER ANY OTHER RELEVANT LAW AND THE COMPANY HEREBY FURTHER WAIVES:

(i) all damages occasioned by such taking of possession except any damages which are finally judicially determined to have been the direct result of the Collateral Agent's gross negligence or willful misconduct;

(ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder;

(iii) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable Law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof pursuant to the terms of this Agreement, and the Company, for itself and all who may claim under it, insofar as it or they may now or hereafter lawfully do so, hereby waives the benefit of such laws; and

(iv) any right the Company may have to require the Collateral Agent to pursue any other Person for any of the Secured Obligations.

(b) Without limiting the generality of the foregoing, the Company hereby waives and releases any and all rights to require the Collateral Agent or the Secured Parties to collect any of the Secured Obligations from any specific item or items of Collateral or from any other party liable as guarantor or in any other manner in respect of any of the Secured Obligations or from any collateral (other than the Collateral) for any of the Secured Obligations.

(c) Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral pursuant to the terms of this Agreement shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the Company therein and thereto, and shall be a perpetual bar both at law and in equity against the Company and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under the Company.

7.6 Discontinuance of Proceedings. In case the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason, then, in every such case, the Company, the Collateral Agent and each holder of any of the Secured Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral, subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent shall continue as if no such proceeding had been instituted.

7.7 Limitation on Duties Regarding Preservation of Collateral. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. In any event, (i) the Collateral Agent shall have no obligation hereunder to take any steps to preserve rights against prior parties to any Collateral and (ii) the Collateral Agent, any Secured Party and any of their respective directors, officers, employees or agents shall not be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Company or otherwise.

7.8 Application of Proceeds. The Collateral Agent shall apply any proceeds from time to time held by it and the net proceeds of any collection, recovery, receipt, appropriation,

realization or sale with respect to the Collateral in accordance with the Collateral Agency Agreement. For the avoidance of doubt, it is understood that the Company shall remain liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations. If the Company is entitled to any portion of the proceeds and if the Collateral Agent disposed of the Collateral on credit, the Company will only be credited with the payments (a) actually made by the purchaser, (b) received by the Collateral Agent, and (c) applied to the indebtedness of such purchaser. If such purchaser fails to pay, the Collateral Agent may resell the Collateral and the Company shall be credited with the proceeds of the resale. If the Company is entitled to any portion of the proceeds and the Collateral Agent disposed of the Collateral for non-cash consideration, the Company will only be credited with payments received as cash proceeds of non-cash consideration.

8.5 Independent Security. The security provided for in this Agreement shall be in addition to and shall be independent of every other security which the Secured Parties may at any time hold for any of the Secured Obligations hereby secured, whether or not under the Collateral Documents. The execution of any other Collateral Document shall not modify or supersede the security interest or any rights or obligations contained in this Agreement and shall not in any way affect, impair or invalidate the effectiveness and validity of this Agreement or any term or condition hereof. The Company hereby waives its rights to plead or claim in any court that the execution of any other Collateral Document is a cause for extinguishing, invalidating, impairing or modifying the effectiveness and validity of this Agreement or any term or condition contained herein. The Collateral Agent shall be at liberty to accept further security from the Company or from any third party and/or release such security without notifying the Company and without affecting in any way the obligations of the Company under the Collateral Documents or the other Transaction Documents.

8.6 Amendments. No waiver, amendment, modification or termination of any provision of this Agreement, or consent to any departure by the Company therefrom, shall in any event be effective without the prior written consent of the Collateral Agent. None of the Collateral shall be released without the prior written consent of the Collateral Agent. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

8.7 Successors and Assigns. This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and assigns and all other Persons who become bound as a debtor to this Agreement. 8.8 Survival. All agreements, statements, representations and warranties made by the Company herein or in any certificate or other instrument delivered by the Company or on its behalf under this Agreement shall be considered to have been relied upon by the Collateral Agent and the Secured Parties and shall survive the execution and delivery of this Agreement and the other Transaction Documents until termination thereof or indefeasible payment in full in cash or cash equivalents of all of the Secured Obligations regardless of any investigation made by the Collateral Agent or the Secured Parties, or made on their behalf.

8.9 No Waiver; Remedies Cumulative. No failure or delay on the part of the Collateral Agent in exercising any right, power or privilege hereunder and no course of dealing between the Company and the Collateral Agent shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which the Collateral Agent would otherwise have.

8.10 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.
